(Chorus)

One more time
One more time
One more time
One more time

There you were
Oh girl !
Standing in the corner
I nver thought I'd have a chance
With you
All them guys around you

Then you looked into my eyes
Smiled and walked my way, my way
You asked me if I like to dance
This must be my lucky day

We went out on the dancing floor
And held each other close together
But somehouw deep inside I knew
That when the music stopped
This romance was over

(Chorus)

Took my heart
Away from me
Baby when you walked through that door

Now I look for you each night
On the dancing floor

Baby was I dreaming
Baby were you really real
Maybe I just thought I had you
You must know just how I feel

We went out on the dancing floor
And held each other close together
But somehouw deep inside I knew

That when the music stopped
This romance was over

(Chorus)

Ooh girl give me one more chance
All I wanna do is dance
Ooh girl give me one more chance
All I wanna do is dance

One more time
One more time
One more time
One more time
