I ya yi  
Oh yo you  
I ya yi

The music in the street  
Is hot but lord it sweet  
The youths are on the corner  
Tune in their ghetto blaster

Wha mek them rock so, rock so, rock so  
Wha mek them dip so, dip so, dip so  
Wha mek them break it down that way

(Chorus)  
Reggae jam boogie  
Reggae jam boogie  
Reggae jam boogie  
Reggae jam boogie's got a hold on you

Her hips sway in delight  
Her lips call out for more  
She's got the good vibration  
In a her waistline for sure

Wha mek she rock so, rock so, rock so  
Wha mek she dip so, dip so, dip so  
Wha mek she carry on that way

(Chorus)

You've got to put on the red alert  
Yea oh, oh

So give me little dub music on ya tonight  
Gi me little dub music on ya tonight  
We gonna rock so, rock so  
We gonna dip so, dip so, oh

I ya yi  
Oh you, yo

Reggae jam boogie on the corner  
Third world posse on ya  
Explode the ghetto blaster  
Bumm shot dub master  
So gi mi little dub music on ya tonight
