(partly)

Ain't no easy pretending, you can't do it by yourself  
Oh Lord knows you need somebody else  
You shouldn't be keeping secrets, they only clogg up  
your mind  
Why can't you find a friend, sharing some time

Come on over, talk to me  
Have a little word with me, talk to me  
Come on over, talk to me

Everybody needs a friend  
Down to the very end  
They may pretend that it's not true  
I share the same feelings just like you  
Talk to me
