If I shut up suddenly  
it's cause I'm thinking of Theresa  
She doesn't belong to me  
but some day maybe Theresa  
what could I say  
to persuade you Theresa  
I will say it every day  
to be with you Theresa

We appreciate all the pleasantries you bring  
and quite frankly my dear  
I prefer when you are here  
Theresa is my friend  
long after you've gone  
and right by her side  
I'll be singing

I don't got a lot to show  
but what I do is for Theresa  
and my bank account is low  
but she don't care, she's Theresa  
You can see it in her lips  
she's beautiful, my Theresa  
and her song goes like this  
whoa I love Theresa

We appreciate all the pleasantries you bring  
and quite frankly my dear  
I prefer when you are here  
Theresa is my friend  
long after you've gone  
and right by her side  
I'll be dreaming

California just might be alright  
at least for a while  
She holds up her middle finger  
while she fakes a smile  
I won't stop complaining til I'm holding you

We appreciate all the pleasantries you bring

and quite frankly my dear  
I prefer when you are here  
Theresa is my friend  
long after you've gone  
and right by her side  
I'll be jamming

Imagine the street  
just you and me and your dumb little dog  
life would be just like a holiday all season long  
I won't stop complaining till I'm  
I won't stop believin til I'm  
I won't stop complaining til I'm holding you  
whoa whoa whoa whoa
