On the first day of our champagne supernova
consummation
who knows you again
I was hit by Solomon
you said 'now tell me your dreams'
suddenly it seems that

ain't nobody gonna take away this thing we got going
ain't no one is changing my mind cause I know we got it
ain't nobody
all I gotta do is believe in you and
all the world becomes
possibility
if you're willing I'll be wonderful
I'll be wonderful

Wasting away
so much weight on the shoulders of just one phone call
don't you get lonely at the end of the year
but I will always be there
living on a prayer cause

ain't nobody gonna take away this thing we got going
ain't no one is changing my mind cause I know we got it
ain't nobody
all I gotta do is believe in you and
all the world becomes
possibility
if you're willing I'll be wonderful

ain't nobody gonna take away this thing we got going
ain't no one is changing my mind cause I know we got it
ain't nobody
all I gotta do is believe in you and
all the world becomes
possibility
if you're willing I'll be wonderful

ain't nobody gonna take away this thing we got going
ain't no one is changing my mind cause I know we got it
ain't nobody

all I gotta do is believe in you and
all the world becomes
possibility
if you're willing I'll be wonderful
I'll be wonderful
I'll be wonderful
I'll be wonderful
