The balcony is always open  
And clouds are in the sky this autumn  
I know I feel a whole year older  
But only cause it's getting colder

Please help me  
find my feet

And my angel inspires  
A beautiful fire  
I'd give you my all  
I'd give you my life  
Hey Jacinta  
Don't you wanna spend the night?  
(with me)

I like the way the highway beckons  
For once I might just like the future  
I've had my share of twisted bad things  
A double shot of instant karma

Please help me  
find my feet

And my angel inspires  
A beautiful fire  
I'd give you my all  
I'd give you my life  
Hey Jacinta  
Don't you wanna spend the night?  
(with me)
