(Intro: Spice 1)

Worldwide, Immortalized, Immortalized, Worldwide
Worldwide, Immortalized, Worldwide, Worldwide,
Immortalized

Worldwide, Immortalized, smokin' endo with my killers
We ride, heat on the side, in drama niggas die
Cross fire, can't let them slide till the Riggermortus
said in his eyes
Niggas surprise, youse dumped on by some ki's on the
rise

(Spice 1)

Shot yo' ass when I'm pulled out the chrome
I was puttin' niggas in the pavin' before this rap shit
came along
Immortalized through this thug shit, the niggas is
spittin' (spittin')
Attractin' phillie, a bag of sticky green and a game of
splittin'
We on a mash to the certain niggas dumpin' my cash
Motherfuckers wanna see me six feet in the grave
thinkin' I won't last
But I'm a soldier, I told you bitches now +What the
Fuck+
The only way I'm fallin' is slippin' on one of you niggas'
blood
I'm in this shit for life (life) and when my cash get
dropped (dropped)
May my thug traces be Immortalized like Biggie & Pac
Get my shit, slugs and niggas' trunk for blocks and
blocks
Immortal thug shit will never stop, Immortalized

(Chorus: Spice 1)

I can't believe these jea-jealous niggas don't wanna se-
see me rise
I'm in the Caddy go-got me thug-thuggin' worldwide
Turnin' mobbin' into Immortalized, Immortalized,
worldwide, worldwide
I can't believe these jea-jealous niggas don't wanna se-
see me rise

Turnin' mobbin' into Immortalized, Immortalized,
worldwide, worldwide

(Spice 1)

One love for niggas like Eazy E soldiers who put a dent
in the game

It ain't the same, head holdin' niggas strain and the
fame clogged up my brain

This thug shit will drive a nigga insane, diamond licks
and chains

With Infra-Red we aim, niggas loc'ed up for the cash,
when the real g's came

Thug-thuggin' last up in my veins I can't be changed
Immortalized like the Presidents with they faces on
rocks

Ebonic Sleazy is the language for the game that we
chop (chop)

Green leaves, cannibus seeteev, and crystal

50 g's, makin' niggas bleed with pistols

Put it down, cause it ain't no time for fuckin' around

Every nigga wanna see these figures on up no less, we
pass the bets

Remember me? The man with the 50 cat in my hand

Comin' more savage than Tarzan, here what I'm sayin'?

Niggas speakin' up on my casket, but I ain't sweatin'
you haters

Ay listen, weren't for bitch-ass-niggas it wouldn't be
real players

Represent to the fullest, at the same time dodgin'
bullets (bullets)

But this mug shit ain't easy nigga, but somebody gotta
do it

Immortalized, Immortalized, ahhhhhhhhhhhhhhh...

Fuck I'm gonna peel this bitch, for sheesy, BLAOW!!!

(Chorus: Spice 1)

I can't believe these jea-jealous niggas don't wanna se-
see me rise

I'm in the Caddy go-got me thug-thuggin' worldwide
Turnin' mobbin' into Immortalized, Immortalized,
worldwide, worldwide

I can't believe these jea-jealous niggas don't wanna se-
see me rise

I'm in the Caddy go-got me thug-thuggin' worldwide
Turnin' mobbin' into Immortalized, Immortalized,
worldwide, worldwide

(Spice 1)

Never die, just mulitply, thug niggas, Immortalize

Energise like them batteries, caught up in the mob life

Niggas be talkin' that crazy shit when they don't know
what the fuck they sayin'
Makin' money off rap music when you was in
Elementary playin' and slayin'
It's all real, shootin' back at the niggas shootin' to kill
Well if it's 'fuck my life' it's 'fuck your life', go to war
with steel
If you niggas ain't feelin' me, fuck your clique and your
hood
It's Bossalini, straight soldier - never went out of wood
Always ridin' through the streets hittin' corners with
fellas
In a bucket or a Benzo, when we blast it ain't no tellin'
It's West Side till my life expire
Mob music till the wheels fall off, motherfucker we all
ride!!
Put the fire to the endo, sip of the Hen
Cause you will never see a bad guy like this one again
Pullin' on you niggas with no mask on, straight smash
If it weren't for rappin', I'll be jackin' gettin' my blast on

(Chorus: Spice 1)

I can't believe these jea-jealous niggas don't wanna se-
see me rise
I'm in the Caddy go-got me thug-thuggin' worldwide
Turnin' mobbin' into Immortalized, Immortalized,
worldwide, worldwide
I can't believe these jea-jealous niggas don't wanna se-
see me rise
I'm in the Caddy go-got me thug-thuggin' worldwide
Turnin' mobbin' into Immortalized, Immortalized,
worldwide, worldwide
I can't believe these jea-jealous niggas don't wanna se-
see me rise
I'm in the Caddy go-got me thug-thuggin' worldwide
Turnin' mobbin' into Immortalized, Immortalized,
worldwide, worldwide
I can't believe these jea-jealous niggas don't wanna se-
see me rise
I'm in the Caddy go-got me thug-thuggin' worldwide
Turnin' mobbin' into Immortalized, Immortalized,
worldwide, worldwide
