All of those shit, I see all that shit

(Verse 1):

I'm hell-bound

Niggas wanna kill me in my sleep in killerfornia

Where the murderers be ambitious to creep

And leave you six feet

Sleep with the sharks in the Bay

I'm out the yea where they back up shit they talk with

AK's

Niggas in L.A. trigger fingers itchy to spray

Call it the golden state

But niggas be rich off the game

You get your cash on the Crips and Bloods be bangin'

Nigga get your mash on dre-lock them Uzi we sayin'

Leavin your brains hangin'

You'll get caught up in the cross fire

Cause you'll be dog meat

Lose your life in the jungle

Niggas is savages

Thugged out and it's hard to be humble

When niggas ride up gaffle your shit

And then leave you tired up

Money and murder I pop a sherm stick

Niggas tend to bring the drama

When I bury your dick

But I'm hardcore

Ready to kill shit up and war

Wonder what else this motherfuckin' state got in store

(Chorus)

So much drama in northern california

\*cause killa kali is the state for the drive-by\*

Such a scandalous day but I love the place

\*that's why I duck when they fly by\*  
So much drama in southern california  
\*cause killa kali is the state for the drive-by\*  
Such a scandalous place had ya smilin' your face  
\*that's why I duck when they fly by\*

(Verse 2):

From Sacramento to San Diego  
From Compton to the Oakland city  
Loc'ed up and thugged out  
Killer's ready to ride with me  
Stackin caps player pieces  
Rolexes and saggy pants  
Poppin' collars drunk as hell off henneseey  
Smokin' up Grams as ounces  
The [????]  
Weed or straight up chronic (chronic)  
Niggas still out to get paid  
Fuck the world I wanna die high  
It's sunshine in killa kali  
But still the bullets fly  
Palm trees and sandy beaches  
But niggas stay strapped with heaters  
Born sinnin' and ready for drama that's how they leave  
us  
500's and Lexi coupes  
Niggas roll up with they troops  
Ballers be flashin' loot (flashin' loot)  
If you gon jack that nigga be ready to shoot  
And bring the pain (pain)  
Cause it ain't no comin' back in killerfornia  
Fuck with the wrong niggas they turn and blast on ya  
Dump executorial style and leave your ass goner  
Still do my dirt all by my motherfuckin' lone in  
killerfornia

Chorus

(Verse 3):

No self-defense laws  
Bullet proof vests is illegal  
But you can go to the gun sto'  
And purchase yourself a desert eagle  
All of my homies is felons  
Some even died in my face  
Some niggas still ridin' around  
With a whole trunk full of yea  
Frisco to Fresno niggas do dirt  
And ride with their head low  
Indictments on mobstyle tactic murder for cash flow  
Cause jail bars

Gangstas and ghetto stars  
Niggas don't give a fuck  
Bullet wounds and stab scars  
Hell of players and pimps  
Hustlers and gangstas with limps  
Snitches that disappeared into thin motherfuckin' air  
Haters be dreamin'  
Schemin to catch ya slippin'  
Just to get to dippin' after midnight AK's spittin'  
See the fire from the barrel  
Standin' down the block I got a flock  
Of desert eagle fifty cal.(iber) shots  
Can't let these sucka ass niggas put one in my dome  
When I'm sittin' at home with a whole arsenal of my  
own  
In killerfornia

Chorus
