(Spice 1)

Hit the freeway in a 850 goin about a hundred and  
forty, sporty  
Niggas slowin down as if they know me  
owe me a Chronic session but I keep on mobbin' I got  
my own  
Fiendin goin to the zone, rollin up I see a Vega loan  
Watchin out for the po-po cause the gangsta braise  
alert the coppers  
Smokin under them choppers O.G.'s see me and give  
me proper  
They say whattup to the Easy Bay Gangsta each and  
every time  
As I took my hat and light my Chronic up in the  
sunshine  
I gets my mobb on just like all you other players  
Lookin out for dead Presidents who want that green  
paper  
Put out my doobie as I mobb up off the freeway  
I'm goin side-a-ways, this way, that-a-way  
I see my partners up in the alley fightin they pit bulls  
High performance, old schools, with fat dulls  
Catch me cussin at the cluckers on the street  
tryin to stop myself from pullin out my heat, I'm  
mobbin' today

(Chorus: Spice 1)

Shoobedoop de doop de doop doo, doo  
Mobbin' today, hey  
Shoobedoop de doop de doop doo, doo  
Mobbin' today, hey  
Shoobedoop de doop de doop doo, doo  
Mobbin' today, hey  
Shoobedoop de doop de doop doo, doo  
Mobbin' today, hey

(Spice 1)

Po-po passin me up, lookin all inside my car  
it's full of smoke, rollin down my window, they see me  
choke  
And spit a loogie out on the street because I'm hella  
high  
Rollin around, maddoggin with some Red Eye  
Talkin slow and show them about which way to go  
Just hittin corners, tryin to find myself a liquor store  
Hustlers slangin on the stow-front tryin to make some  
ends  
I'm gettin deals on blunts from the Iranians  
They know my face cause I comin up at them every day  
For some Hennessy and lemon squeeze a Alazay  
Then I'm back on the streets drivin through the track  
See fools fresh out the Penn, killers from way back  
Hoppin out the hooptie chop it up with real ass O.G.  
homies  
Jerk players only, cause ain't no time for fakes or  
phonies  
Come catch a glimpse of a real player up in the Bay  
Gotta get my pay okay, I'm mobbin' today

(Chorus: Spice 1)

Shoobedoop de doop de doop doo, doo  
Mobbin' today, hey  
Shoobedoop de doop de doop doo, doo  
Mobbin' today, hey  
Shoobedoop de doop de doop doo, doo

(Interlude: Spice 1)
