Yeah, whassup?

RIP, shout-out to my dead partners

(Spice 1)

My nigga went crazy he's trapped in a cell

He chopped off his fingers and sent them back in the mail

If life is a bitch, I'll pimp it just like a hoe

I make all my money from slangin ounces of coke

I shot up a bitch cuz she was fiend

She's spreadin information tryin to run off with my ring

I'm livin' in fear, motherfuckers wanna jack when

A 187 nigga's best friend is a Mack 10

Niggas be rollin up on me and loadin the clip and say

I'm slippin

but I'm in a fucked up state of mind

and I'm packin a nine and I'm not trippin

Cause I'm strapped thinkin about my nigga took out in the game

R-I-P, plan B Jessie was his name

So rest in peace, peace my nigga R-I-P

(Chorus: Spice 1)

R-I-P, R-I-P, rest in peace to dead niggas on the wall

R-I-P, rest in peace to dead niggas on the wall

R-I-P, rest in peace to dead niggas on the wall

When I was young I had the lust to pull the trigger

So I know how it feels to shoot another nigga

Take one of mine I'll take ten of yours

You call up your posse I'll call up my boys

The funk, it was jumpin', but why should it jump?

Niggas with Uzi's and hellas niggas with pumps

Ready to spray do a nigga up proper  
Did my boy in good chopped him up with the chopper  
See some more from the north Johnny B from the crew  
seen a nigga get blasted his bloody foot in his shoe  
The bag the body the body the bag  
From forties to funerals from chronic to zag's  
I'm rollin up one for niggas that died  
I go out to forty and hit the strip in my ride  
And let down the top cause my top drop  
Handle my glock incase I gotta pop

(Chorus: Spice 1)

R-I-P, rest in peace to dead niggas on the wall  
R-I-P, rest in peace to dead niggas on the wall  
R-I-P, rest in peace to dead niggas on the wall  
Yeah fool whatta you know about my partners Mark

(Spice 1)

My nigga had bomb we called him Big Dave  
Six slugs in the chest put my boy in the grave  
I went to his house to get me a sack  
His brother stood on the porch and told me the facts  
Strange how it happened he went out for a night  
Strange car drove up that's when the pistols went pop  
Should I pull on the trigger and we bell on these  
niggas?  
Should I roll up the Endo hit throw up drunk offa liquor?  
My memorials of my dead niggas on the wall  
And when I die I know I'm dyin with a bullet y'all  
But the nigga that take me out, he better have the clout  
Because my niggas gonna chop your bloody body  
route  
You know this nigga ain't afraid to die  
Just write my name on the wall: Gangsta S-P-I  
C-E-€¦ R-I-P - rest in peace nigga

(Chorus: Spice 1)

R-I-P, rest in peace to dead niggas on the wall  
R-I-P, rest in peace to dead niggas on the wall  
R-I-P, rest in peace to dead niggas on the wall  
R-I-P, rest in peace to dead niggas on the wall
