fabricate my past, I always done had bitches You can
ask the teachers, principal and his assistant They know
about Melvin Calhoun and they can tell ya I often had
my way when it came to them Isabellas But this is bout
the bitches who wouldn't give me the digits The time of
day not to mention or kindly hate when you spoke to
them You in her vision, you know that you lookin crispy
But all of a sudden she turn her nose up when you be
closin in You know the kind that was prissy and acted
rude Dressin sexy and she was cool cuz her nigga was
outta school Now all I gots to say now is bitch you a fool
You too late up in this for now the bitch heard me on
the radio and now she wanna holla Imma Keep that in
mind while you steady standin in line Waitin for your
shirt to get signed and what's goin on through my mind
is She was a dime, but I'm seein now that the time And
the firmness of your behind has depleted, you ain't
that fine trick [Pre-Chorus-Krizz Kaliko] Now I can say,
that the night has turned to day And yeah you hurt me,
but you ain't worthy You need to get played, cuz I
remember way back in the day [Chorus-Tech N9ne,
Krizz kaliko] Back in the day, she said she didn't wanna
NOW That I'm makin big pay, she smellin my aroma
WOW Way back in the day, she said you didn't wanna
NOW That I'm makin big pay, she smellin my aroma
WOW girl wait a minute [Kutt Calhoun-Verse 2] Hey I
remember you, used to be the most popular girl Walkin
around in the halls of Central High School For your
sake, let's use cade name Tisha Always in Nautica
shirts and pants and white K-Swiss's or Eastlands
Remeber how I used to be peekin and seekin At the

skippin parties you wouldn't speak it Gave me your
number then I found out you was just teasin Your
befriend was a balla on with the beefin I wasn't old
enough and plus I didn't sell deep in It's crazy how a
chick could cut you low at the knees man Later caught
up with you, that's when I found out that he's been
Labeled a snitch and now he sits in the penitentiary and
he'll never get out get out I know it hurts don't it To
know you wasted your time Now you baby mama, hard
times, those are the worst moments You kinda cute,
but not fine, told me you notice my shine Asked me if
you could be mine, let me retort on it [Pre-Chorus-Krizz
Kaliko] Now I can say, that the night has turned to day
And yeah you hurt me, but you ain't worthy You need to
get played, cuz I remember way back in the day
[Chorus-Tech N9ne, Krizz kaliko] Back in the day, she
said she didn't wanna NOW That I'm makin big pay, she
smellin my aroma WOW Way back in the day, she said
you didn't wanna NOW That I'm makin big pay, she
smellin my aroma WOW girl wait a minute [Kutt
Calhoun-Verse 3] This last one is sort of a doozy, Lord I
miss Susie Q and all the cream fillin sure to be oozin
She more than a floozy, whore she a beauty star I tell
you imma go and mi amore, straight Spanish You used
to walk around in leather and lace spandex And any
nigga caught in her ground would make panic A fiesty
lil chica with ass and stayed mannish Would cut a bitch
in a blind second she gave damage She never messed
wit a black dude The very first girl i ever seen wit a
back full of tattoos And mami I'm at you, and she didn't
front She let me get in between them thighs and hips
put her legs all around my head and let me drill it kill it
Now I'm infatuated, was on her everyday Once I
ejaculated, don't wanna ever stray Niggas was glad to
hate it, got props in every way And I ain't mad she gave
it, so I won't ever say [Chorus-Tech N9ne, Krizz kaliko]
Back in the day, she said she didn't wanna NOW That
I'm makin big pay, she smellin my aroma WOW Way
back in the day, she said you didn't wanna NOW That
I'm makin big pay, she smellin my aroma WOW girl wait
a minute [Outro] Back in the days when I was young I'm
not a kid anymore Back in the days when I was young
back back back back Back in the days when I was
young I'm not a kid anymore Back in the days, back in
the days
