from the AK blast on that ass hollow point to the tip to the toe

Creep slow and watch the blood hit the fuckin flo'

It's the goddamn murda show

Starring a nigga in black wearin a weed hat creepin low

And co-starring is a psycho motherfucker

He grew up in Compton bustin caps at the cluckers

His name is MC motherfuckin Eiht

He got the Uzi weigh a ton eatin niggas like a steak on a plate

So nigga get your popcorn and peanuts cause we nuts and we know

sit back and watch a nigga murda at the murda show

(Chorus: Spice-1 & MC Eiht)

A to the motherfuckin K

187 proof ass nigga from the Bay (murda show)

Yeah, and it's the nigga from Compton that's stompin

Raise up off my jock with the fools that I glock

A to the motherfuckin K

187 proof ass nigga from the Bay (murda show)

Yeah, and it's the nigga from Compton that's stompin

Raise up off my jock with the fools that I glock

(MC Eiht)

Nigga shut your fuckin trap, yeah your punk ass is sure

Sure that they sew when I peel your cap

The slide the slick, suck my dick

No mistaking I bring home greens, fuck the bacon

The big black neck getting motherfuckers sprung

They'll be put in the trash by this Compton tongue

Eiht, Spice-1, kickin much ass for fun

Ain't nothin but some nigga sold the one

Fools need to stay the fuck down

They can't hang when we bang from Compton and the
Bay Town

It's like the last dance or your last chance

When I reach in for the strap in my fuckin pants

I ?pump? dead then the scene is fair ain't nothin said

Even your skinny ass dead, I can't sleep cause it's time
to go

Fool or I'll be late for the murda show nigga

(Chorus: Spice-1 & MC Eiht)

A to the motherfuckin K

187 proof ass nigga from the Bay (murda show)

Raise up off my jock with the niggas that I glock

A to the motherfuckin K

187 proof ass nigga from the Bay (murda show)

Yeah, and it's the nigga from Compton that's stompin

Raise up off my jock with the fools that I glock

(Spice-1)

Step in to the torture chamber nigga let me torture

Hangers on your motherfuckin back bring ya scorcher

Psychopathic madmen dead body chucker

Quick to pull the trigger on another motherfucker

Slangin to the bass head bitches in the alley

Killin for my motherfuckin money in recally

My nigga MC Eiht will make the getaway drive

I got the gat hangin up out the motherfuckin ride

Niggas be getting the duck sit fuckin with the player,
sprayer layer

Nigga out with the shout of the t-t-tech, Mic

motherfuckin check one
Stabbin niggas up in the lungs plus the caps with
bloody guns
My Uzi's got my back if player haters wanna jump
The motherfuckin hollow head his chest thump, thump
And all the niggas leave his bloody body in the dust
One-nigga dead seventeen caps bust
That's how the niggas do this shit where I'm from
Red-Rum leave your body numb blast of the dumb,
dumb
I got the glock and I'm headin for the liquor store
Me and Eiht are two-eleven at the motherfuckin murda
show

(Chorus: Spice-1 & MC Eiht)
A to the motherfuckin K
187 proof ass nigga from the Bay (murda show)
Yeah, and it's the nigga from Compton that's stompin
Raise up off my jock or you might get the glock
A to the motherfuckin K
187 proof ass nigga from the Bay (murda show)

Bangin from Compton and the Bay Town
