How you doin sweetheart?

Lookin crazy lovely as usual

So where your man at today? Ohh worrrrd?

He's gone? It's like that? Mmm

I'm sayin though let me tell you how I get down

and then you see if you can f*ck with it

Now you can say I'm disgusting ill weird or just plain
nasty

But I never let the chance to get some AHHH go past
me

I gots game I can meet a hoochie on the train

Two hours later, I'm tryin to push my AHHHHHHHHHHH

It don't take a lot, for me to get a girl hot

I use the skills I got so I can get a shot at the AHH

While she suck my tongue like juice I get the jeans and
kinks loose

Slide my fingers in her AHH and sniff to see if she
needs to AHHH

She punani clean, enough without no germ in it

Then me AHHHHHH, and yo she want me burnin in
some AHH

We talkin AHH, but I'm too explicit, but when they come
visit

and I hit it, nothing's too nasty, now is it?

You won't be disappointed if you're clean tight or well
annointed

My AHH, be making you think, you're double jointed

Wrapping your legs around my head, neck, shoulders
and back

Forgettin how to act, that's when I gotta smack that ass
and say, "Relax!"

"Skins, you got em, I wanna get with em!" --> Greg
Nice

"Skin.. care, skin.. care"

(repeat 2X)

I push you flat on your back

Smack crack them legs it's time for a snack

Run me tongue around she AHH, waitin for you to react

Yea aight AHH, matter of fact take that back I devour

After spendin a minute in it, pull me up in about an hour
kid

no jokin, how me and the punani try to quit smokin

You'll think it's chokin, wanna stick a Pepsi or a Coke in?

Once I go the Down South route, that's all I'm about

I'm yellin, "One-eight-seven witcha cat in my mouth!"

And girls get buck when I AHH, ain't no phony yo

So I'ma tear it between I could, puh, spit out ponytails

Get in every cranny and nibble to your AHH, is good
and cooked

You'll be all over the bed, while your AHH is like,
"Look!"

But when you sex with me, remember that dinosaur see

Because it's "I do you, and you do me"

Don't front cause all them excuses that's cutesest,
that's useless

Because if I did that AHH, I know that you can do this!

"Skins, you got em, I wanna get with em!" --> Greg
Nice

"Skin.. care, skin.. care"

"Skins, you got em, I wanna get with em!" --> Greg
Nice

"Hold up, HEY, wait a minute!"

Now I'm a black man that's fed up

Cause I want a girl to AHHHH, but all y'all wanna do is
keep yellin

head up, FUNK DAT, lick from AHH to buttcrack

If somethin taste good to you, you can U-Turn and cut
back

Stop playin around, get down if you gonna do the do

An AHH does not mean you holdin me my AHH, and
goin "Woof!"

Close your eyes, open your mouth, and think 'Yummy
yummy!'

If what you got is good for me, you get a surprise in
your tummy!

And if you don't want no AHH in there, OK I care

I AHH in the air, and aim for your eyes face and hair

If your teeth are chipped or metal equipped yo, we
gotta quit

Cause you ain't my girlfriend this ain't Tribe

Don't take no bite out my AHH

Chill where you goin? You ain't truckin, time for some
AHH

Stick my AH in your AHH, you start squirming and bucking

Even if your tube was made deep and smooth it's getting bruised

You lose! Because I got the AHHH that's huge

"Skins, you got em, I wanna get with em!" --> Greg
Nice

"Skin.. care, skin.. care"

(repeat 4X)

I hope your thing's equipped for endurance I'm about to flip script

and dip where you AHH, better get some insurance

Some girls be like, "Uh-ahh! From the back it's too rough," but

Face Down, AHH Up, that's the way I like my stuff

Get behind ya, find your AHH, run up inside ya

And ride ya, AHH, til you scream, "Whoa tiger!"

You get on top I hear your AHH pop and start to AH

You scream, "Stop! Stop!" and your AHH goes, "Could you stop?"

Stick my finger in your AHH, watch your AHH eyes pop out

Tongue drop out, you scream "Oh no!" AHH too late to cop out

You took my finger that quick you can handle this AHH

It's only three times as thick as my finger, AHH, bust her AHH

And then I say, "Do that" you say, "Do what?"

Duh-duh-do dat bounce here's your other shoe slut

I ain't got no tokens to throw your legs ain't broke just go

Yeah I'm on that Snoop Dogg AHHH, "I don't love you
hoes!"

"Skins, you got em, I wanna get with em!" --> Greg
Nice

"Skin.. care, skin.. care"

(repeat 4X)

"Me and you be doin the nasty

I know you have another lover but I do not the care"

"Me and you be doin the nasty.."

"Doin it right til the mornin light"

"Me and you be doin the nasty

I know you have another lover but I do not the care"

"Me and you be doin the nasty"

"A little moan and groan after some fuss and fightin
