Flashlights surrounding me  
It's televised  
Animals  
A window to my other side  
Now listen here  
Animals  
And the voice echoes  
And the distant river flows  
Out of here alone

Tempers still lie around  
It's battleground  
Animals  
A way out another side  
It's dangerous  
Animals

And the voice echoes  
And the distant river flows  
Out of here alone

Don't shoot me down  
While I'm awake  
They've set the traps  
I'm here to stay  
Don't shoot me down  
While I'm awake  
They've set the traps  
I'm gonna stay

Don't shoot me down  
While I'm awake  
They've set the traps  
I'm gonna stay  
Don't shoot me down  
While I'm awake  
They've set the traps  
I'm gonna stay

So I need to know your name  
I'm gonna stay

I need you to do the same  
I'm gonna stay  
So I need to know your name  
I'm gonna stay  
I need you to do the same
