Send my wishes on
Til they all just come back home
But they travel and they roam
Through the summer and the snow

And they walk an open road
They're miles from this town
They're walking through the pain
That brings you down, down

Now they're coming home
Home, Home
Now they're coming home
Home, Home
Now they're coming home
Home

Overdue
Where did it all go wrong?
And I'm too soon
Where did it all go wrong?

And they walk an open road
They're miles from this town
They're walking through the pain
That brings you down, down

Now they're coming home
Home, Home
Now they're coming home
Home, Home
Now they're coming home
Home, Home

Send my wishes on
Send my wishes on
Send my wishes home

Now they're coming home
Home, Home
Now they're coming home

Home, Home
Now they're coming home
