Once again stripping
'Cause the heat walkin' on my feet
Makes me tired and my own cause is too great
When I steal it for myself

And that's what brings me nearer to the rest
At my best, it's the most I can do
Shiftin' my dream for one chance to breathe
And the blue in my eyes fades out

Gold and silver
And diamonds in your eyes
I can't see them if the long awaited stays
What a great game, I found it in my grave

I'm not supposed to die
I'm not supposed to be here
I'm driven on by leaders
So lead us

And that's what brings me nearer to the rest
At my best, it's the most I can do
Shiftin' my dream for one chance to breathe
And the blue in my eyes fades out

That's what brings me nearer to the rest
At my best, it's the most I can do
Shiftin' my dream for one chance to breathe
And the blue in my eyes fades out
