(Intro)

I love the waves

(Verse)

How about energy?  
Happy birthday, happy birthday  
Give her another time  
No relation, no relation  
Search mountains when I sleep  
In the air but, in the air but

(Chorus)

Soon you've gotta do something sad, ad  
You, you gotta do something

(Verse)

Go to better times  
Make her happy, make her happy  
Moonstruck energy  
Don't rehearse it, don't rehearse it  
Next drop that I see  
Make the offer, make the offer

(Chorus)

Soon you've gotta do something sad, ad  
You, you gotta do something

(Verse)

How about energy?  
Happy birthday, happy birthday  
Give her another time  
No relation, no relation  
Search mountains when I sleep  
In the air but, in the air but

(Chorus)

Soon you've gotta do something sad, ad  
You, you gotta do something sad, ad  
You, you gotta do something sad  
Sad
