Oh the drones on the corner don't look her in the eye
when she comes out to play

And three times now at the Club Chi-Chi they've turned
her away

Last week she was the belle of the ball but another
week passes

It's time to cast off crutches, scars and pebble glasses

She's got everything a girl might need

She's a tribal animal, yes indeed

But she hasn't got a bone through her nose, through
her nose

Hasn't got a bone through her nose

She hasn't got a bone through her nose, through her
nose

She hasn't got a bone through her nose

Hasn't got a bone through her nose, through her nose

She hasn't got a bone through her nose

Oh she gets her suits from a personal friend, Coco the
clown

She got dustman's jacket, inside out, it's a party gown

If it's bouffons, she's got bouffons, if it's tat she got tat

She got hoochie coochie Gucci and a pom-pom hat

She's got everything a girl might need

She's a tribal animal, yes indeed

But she hasn't got a bone through her nose, through
her nose

She hasn't got a bone through her nose

She hasn't got a bone through her nose, through her
nose

She hasn't got a bone through her nose

She hasn't got a bone through her nose, through her
nose

She hasn't got a bone through her nose

No!

Well, her ma writes cook books, she wrote one once,
and it sold one or two

Her pa's in the city, he's so witty, he calls it the zoo

Her boyfriend plays in Scritti Politti, Aunt Sally's brown
bread

In a few more years she can marry some fool and
knock it on the head

She's got everything a girl might need

She's a tribal animal, yes indeed

But she hasn't got a bone through her nose, through
her nose

She hasn't got a bone through her nose

She hasn't got a bone through her nose, through her
nose

She hasn't got a bone through her nose

She hasn't got a bone through her nose, through her
nose

She hasn't got a bone through her nose

She hasn't got a, Oh she hasn't got a, Oh
