If I cross your path again

Who knows here, who knows when

On some morning without number

On some highway without end

Don't grasp my hand and say

Fate has brought you here today

Fate is only fooling with us, friend

CHORUS

Keep your distance

Keep your distance

When I feel you close to me

What can I do but fall

Keep your distance

Keep your distance

With us it must be all or none at all

It's a desperate game we play

Throw our souls, our lives away

Wounds that can't be mended

And debts that can't be paid

O I played and I got stung

Now I'm biting back my tongue

and I'm sweeping out the footprints

Where I strayed

CHORUS
