

This Beautiful Mess "Kid Of Thee"

Visit "[Kid Of Thee](#)" on MotoLyrics.com

Don't quit on me
Don't quit on me
I want to be a kid of thee
With every breath
With all my might
My utmost for your highest
God rest my soul
God rest my soul
Get rid of all this brokenness
I'm a mess
I'm on the floor
I want to go and sin no more
Write your name all over me
For everyone to see
Make your home inside of me
As we speak
Bring it on now
Bring it on
I'm bringing in my everything
All of me
For all of thee
I want to be all ready
If you want me
Come and claim me
Come have your way with me
