I stand in the distance
I view from afar
Should I offer some assistance?
Should it matter who you are?

Chorus
We all get hurt by love
And we all have our cross to bear
But in the name of understanding now
A problem should be shared
Confide in me...(x2)
I can keep a secret and throw away the key
But sometimes to release it
Is to set our children free

Chorus
Confide in me... (x4)
Stick or twist
The choice is yours
Hit or miss
What's mine is yours
Stick or twist
The choice is yours
Hit or miss
What's mine is yours
Chorus
Confide in me... (x6)
