Chorus:

And yet I'm still saved,
Not by my own power, not by my strength.
And yet I'm still saved, saved, saved.
(And I'm going on) I'm going on,
(Said I'm going on) I'm saved and I'm going on.

Verse:

I've been through some valleys,
I have been oh so very low.
I have had some rough times,
Some people have really hurt me so.

Jesus was a friend, He was consistent in every way,
When Satan tried to kill me,
Yes, He came and He put him back in his place.
He gave me the power to change everything in my life
And even though Satan still exists,
He will never have control, control of my soul.

Chorus

Vamp:

Going on, going on, going on,
I'm still saved yet
