O.K. so today I'll try again
Crash and burn just like yesterday
Please don't let me die
I slammed on the cross bar and I don't know why
Just as the world is getting me down
I can say I'll put my feet back on the ground
And all the little words were said
If I keep it up, I'll probably end up dead
I'm trying I'm learning but getting nowhere
Watching every one fly by it just isn't fair
I can try again, fuck up again
Even on a deck I'll brake my leg
I don't wanna please don't make me go
Broken bones
