Maybe I'll go to Amsterdam  
Or maybe I'll go to Rome  
I'm gonna rent me a grand piano  
Put some flowers 'round my room

Oh, but let's not talk about fare-thee-wells now  
The night's a starry dome  
And they're playin' that scratchy rock and roll  
Beneath the matel of the moon

Come on Carey get out your cane, I'll put on some  
silver  
Ooh, you're a mean old daddy but I like you fine  
Come on Carey get out your cane, I'll put on my finest  
silver  
Go to the Mermaid CafÃ© have fun tonight

Ooh, you're a mean old daddy but you're out of sight
