Chorus:

Don't forget to remember where your blessings come from.

Don't forget to give honor where honor is due.

Don't forget to give thanks to the One who put you there.

Don't forget where your blessings come from.

Verse:

When you get a little money,

Get up on your feet,

Why do we change?

Get a little fortune and fame,

Sign a title to your name,

Why do we change?

Just like the ten in the Bible days,

Who were blessed by the Lord

And went on their way.

Except one came back with gratitude,

We've got to give honor where it is due.

Vamp:

Where all our blessings,

Where all our blessings,

Where all our blessings come from.

Ending:

Always remember Jesus, Jesus,

Always keep Him on your mind
