Well I've seen through the eyes of others
And I not that good with my ex lovers
Talk it down 'n' through and through
What should I do I asked your friend
When I'm eating with you I'm an utter disgrace
Cause I get more food on my face
Proposed to you with a diamond ring
I Managed to drop it down the bleeding sink
I'm just a hopeless romantic
Sorry for wasting your time
I'm just a hopeless romantic
Sorry for wasting your time

Well every one has always said
That deep, deep down our love is a crime
All the people always say
That deep deep down it's the same old lines
All your friends said take a chance
But you haven't yet seen me dance
If you love me just this once
Be your hopeless romantic given a chance
I'm just a hopeless romantic
Sorry for wasting your time
I'm just a hopeless romantic
Sorry for wasting your time
I'm just a hopeless romantic
Sorry for wasting your time
I'm just a hopeless romantic
Sorry for wasting your time
Sorry for wasting your time
Sorry for wasting your time
Sorry for wasting your time
Sorry for wasting your time
