If I can't say a word
I'll just wave my hand
If I can't say a word I'll
If I can't say a word I'll
Just wave my hand
I get so full
Get so full
I would explain it if I could
God's been just that good
Just that good

Sometimes I get so filled up
Like an overflowing cup
Can't seem to find the right words to say
Holy Spirit have your way

If I can't say a word
I can't say a word
I'll just wave my hand
If I can't say a word
If I can't say a word
I'll just wave my hand
I'll just wave my hand

I get so full
Get so full
I would explain it if I could
If I could yea
God's
God
Been
Been
Just that
Just that
Good
Been good

When I think of his love for me
The way he looks out for me
Sometimes I find myself speechless
His favor leaves me breathless

If I can't say a word
If I can't say a word
I'll just wave my hand
Will anybody mind if I just wave my hand

If I can't say a word
I'll just wave my hand
I got to lift my hands up
I get so full
When I think about his goodness
I would explain it if I could
His mercies found me out
God's been just that good

Can I just wave it?
Will you help me wave my hands?
Can I just wave my hand?
Can I just wave it?
Can I wave my hand?

Can I just wave it?
Can I just wave my hand?
Can I just wave it?
Can I wave my hand?

Can I just wave it?
Can I just wave my hand?
Can I just wave it?
Can I wave my hand?

Can I just wave it?
Can I just wave my hand?
Can I just wave it?
Can I wave my hand?

God's been, been just that good
God's been, been just that good
God's been, been just that good

Can I just wave it?
Wave it?
Because I think of the scripture that says
O taste and see that the LORD is good
That's why I got a reason to wave my hand

God's been, been just that good
God's been, been just that good
God's been, been just that good
