"Last Man Standing"

Despite what i'm told I'll
Walk against the crowds
I don't care what you think of me
Because you're the scum of society
And when i'm dejected
I'll rise unaffected
Wo-oh I'm the last man standing
Fuck society if you think you can bring me
Down so don't try it
Wo-oh cos I'm the last man standing
All our life's people tell us what to do
Make up your own mind cos you, are you
If you're different people tend to stair
Well fuck you cos we don't care
Wo-oh I'm the last man standing
Don't take me on
You can't bring me down
