People think that I have gone insane
Just because I use my real name
1,2,3,4
Stepped off the boat this morning
This place is anything but boring
I'm in a brand new place
People always staring at my face

I shouldn't be here
That's the truth yeah
I shouldn't be here,
That's the truth yeah
I shouldn't be here
That's the truth yeah
I shouldn't be here
That's the truth
From today, I'm going one way
From today, I'm going one way
From today, I'm going one way
From today, I'm going one way
From today, I'm going one way
From today, I'm going one way
From today, I'm going one way
From today, I'm going one way
