Did you ever have something
That you wanted to say
Never had the guts to speak your mind
And have it any other way
I don't know I was told and this is sound advice
Get a beer down your neck and this is what we say
I don't need it don't fucking make me
I don't need it, I can't stand it None of us need it
- Drink a bit more beer And this is what we'll say
I don't give a fuck This is what we say
Is there something you needed to do and now's the
time
Save courage up and use that line
And every single day this is the time today
All together, THIS IS WHAT WE SAY!
LA, LA, LA, LA, LA
LA, LA, LA, LA, LA
