Was I worth the pain?
You had nothing left to gain
I know I'm the only one to blame
I'm broken on the floor
Staring at the door
Waiting on a Savior to walk in

For the life of me
Why'd You bear my chains?
For the life of me
Why'd You walk to Calvary?
For the life of me
I can't explain
The reason You died and the reason You came was for
the life of me

What do You see in me?
I'm a leper not a king
A mess that's undeserving of Your name
I've disappointed You
Like a rose that never blooms
Failing to display my heart to You
For the life of me
Why'd You bear my chains?
For the life of me
Why'd You walk to Calvary?
For the life of me I can't explain
The reason You died and the reason You came was for
the life of me

Lord, let me be so bright
I escape every shadow using Your light
Are You waiting to see
That I will show
Your life in me?

Why'd You bear my chains?
For the life of me why'd You walk to Calvary?
For the life of me I can't explain
The reason You died and the reason You came was for
the life of me
For the life of me
