Gangsta Boo, baby, once again it's on

(Get ya get ya get ya get ya broke ass out, boy!)

Why you up in the club with no money
Trying to see a lil' ass motha-fucka, give me something
to see me twerk
Make my butt cheeks clap to the beat
Give ya girl a nice fee, I'll take ya to the V.I.P
We can shake, smoke, and roll, out of control, ooops I
feel ya hard
Lickin' in ya ear, you hear me moanin' full taking

If you be the broke ones, you can leave the fuckin' club
If you be the balla spending money, show a lady love
See you at the bar looking at another naked ass
(Oowee!)

I be rappin' for my ladies in the club, get your money
It be funny how a nigga actin' stingy with they money

Why do you be in the club, you make it harder for a
thug
That be spending all they money, poppin' bottles

You know how it is in the spot, everybody's pussy hot
If you talkin' big cheese, meet me in the parking lot
I will turn you niggas out, they call me Chocolate Melt In
Ya Mouth
Bring ya roadies, it's our family's, come on in I'm up on

Fuck what you other hoes say, you be dikin' anyway
You just mad cuz I didn't let you eat my pussy

If you bitches wanna pay, that's all good with me

Ask ya boy do he wanna dance, ooh he look high
(Hey, you want a dance baby?)
(Naw...)
Ain't no money in the club, man that shit is fucked up
I got bills to pay, but a sista gonna suck it up
If it's a good night, I can easily make a thousand daily
If they ban the bustas that's perverted, keep'em out the
way
Hit the hit the stage, bring it bring it on to the floor
Stick the money in my lace strap if you want a show
I'm a private dancer, be ya love slave for a while
Most niggas trip, when you.....
Flogin' ass niggas really motha-fuckin' kill me
How you gonna disrespect a motha-fuckin' lady?
Why you in the club when you ain't spending no cheese
Get ya ass out til' you ready to spend some money, hoe
