That's down fo' the dicky flo'

I'm blazin' this sticky, but never mixing it wit mycoke

This one right here for the nose,

This one right for the smoke

This one right here for the dollars

This one right here roll the blunt

I'm taking six from the stix

I'm wildin' like niggas stunt

[Verse 2]

(Juicy J)

1st you get the swishers

2nd buy the liquor

3rd buy some of that sticky, most smokers call it sticker

Can't forget the Newport, suckin' on my too short

Call my nigga Big Tris, bring that blow and snizort

I'm high ass fucking lizzy

I'm stressin' how i'm livin'

Oh please, oh please, oh please,

just give me just one mo' hizzle

This hydro weed I got some

I might blow you a shocker

But if you can't play hizzap

I guess yo ass don't want none

[Hook] x4

In yo hand you receive is a big face from me  
Tell my nigga pass me that swisher,

Get me fiending up wit weed  
Put that joint to that sweet  
Then my nigga looked at my me  
Then we started to repeat

[Verse 4]

(Gangsta Boo)

Yo, I be smokin' out daily,  
maybe get up on some hazey  
Then remote and faded baby,  
cause you niggas drive me crazy  
Still a lady when I'm escalated  
Faded with my peeps  
Bobby Brown smokin' niggas know not to even step to

When I'm high I ain't gone lie,  
I'm feeling freaky up inside  
You wanna keep it on the low  
I put my truck on the other side  
Nigga nigga what'chu mean Gangsta Boo be on that

Looking good up on the scene  
Posted up knowwhat I mean

[Hook] x4

[Verse 5]

(Lord Infamous )

Gone on the pills after ???  
Yes I break out of the lot  
Smoke too much hydro puff  
I'm takin' it up a notch  
??Too me you ain't got to eat??  
??And the stranger thinks of me??  
I'm paralyzed from the P  
I'm shootin' up cause of thee

Bacardi for cocoa plex  
I step up and now he letched  
I'm going in to a trance  
Da deadliest demon man  
You thus as the Sosate say  
Yeah pass me that saucer tray  
Or pass me a blunt of hay  
I wanna just drift away, drift away

[Verse 6]

(Koopsta)

I be smokin' on motherfuckin weed  
and chiefin' out  
Hear me saying satinac prays  
Let her suck my dick  
Fo this girl drive me crazy  
These niggas got me doped  
Gotta blaze a blunt into me  
Fo just take me to the chiefin' room  
Fuck the city with the chicken  
Chief the chicken, roll the chicken  
Smoking got the chicken out there dirty,  
with a lot of sticky  
Hear me this and I think I blowed a pound  
Now I seen me a little silhouette of mine (Crunchy  
Black) Yeah that mothafucking green (repeat 3x) Yeah  
that got damn dope
