[Hook x4]

Do ya niggas want a war wit us  
Do ya niggas want to get your head bust  
I see them yorks in the sky raise em high raise em high  
I see them tones in the sky raise em high raise em high

[Juicy J]

Yeah every time I flip the script  
Niggas always talkin shit  
Mad beacuase the cards I flip  
Maybe he be struckin wit  
I think he used to slang them rocks  
Set up shop on this here block  
Orange Bloosm apartment three  
Niggas ain't even know me  
Young and buck just full of beer  
Drinking out my nigga Clair  
Death is like we naver fear  
Even if we know it's near  
Stealing cars and rollin dice  
Trying to dodge the Memphis vice  
I'm telling all you young niggas  
In this game there ain't no life  
Mom told mo to stay in school  
All I did was break the rules  
Pop was preaching the word of God  
I was busy actin' a fool  
Mad with a fuckin mug  
Loadin' up my 38 slug  
Head spinnin' from the killing  
And head full with nothin' but drugs

[Crunchy Blac]

Do ya'll niggas want a war wit us  
Do ya'll niggas want a war wit us  
In gats we trust  
In heads we bust  
See nigaas like us  
Uh uh we can't be trust  
We come to your crib  
I mean we come to your house

We knock on your door  
We put the gun in your mouth  
We throw our sets  
No disrespect  
All we want is money nigga  
Can you niggas get met  
No game I play  
Wit none of you hoes  
Like the one in the chamber  
Puttin bodies in holes

[hook]

[DJ Paul]

Now when they finally gonna learn about the Hav it's on  
When these hip crisp niggas kick a hole in your door  
Now bitch it's on cuz you fuvkin' with niggas that's  
strong  
You damn near gone cuz I'm buckin' you bitches with  
tones  
Never alone hoe I run with Triple Sizzix  
No full clips hoe I'n leavein' them off in your chest  
Can't waste no time cuz cuz I'm droppin' them dimes  
That's why the Hypnatize is all about droppin' them  
nines  
Up in your face you bitches are fake  
I got some boys they ain't gay  
But they knowin' to rape  
A little cock sucka like you  
Cuz I despise you  
If you can't beat em'  
You join the right crew  
HCP nigga HCP nigga  
HCP Hypnatize Camp Posse nigga

[La Chat]

Back up shit  
You fuckin' wit some natural killas  
Don't want to go to war wit us  
We got a sniper to get ya  
Hypnatize you ain't heard  
We down for whatever  
We buckin' bitches  
Fuck you hoes  
Cuz you ain't on our level  
La Chat I clicked up with the right camp ready to ride  
You fuck wit one  
You fuck wit all  
We ain't scared to die  
And we ain't scared to kill a nigga  
On the pain we deliver

We chop you up  
Don't give a fuck  
And throw your ass in the river  
I know you bitches know it on  
When you fuck wit the click  
I know you bitches know you gone  
Whe you violate this shit  
I'm tired of talking motherfucka  
Time to show an example  
It ain't no playin' wit ya hoe  
Cuz that anna we handle yeah
