You were lost, he was gone
I was here all along
Is it over yet?
Is it over yet?

Cause I'm a lover, not a fighter
But I'm battling a heavy heart
Yeah I'm battling a heavy heart
Leave it up to me

I've been waiting a long time
I've been waiting a long time
I would never ever do those things to you
We could run away if you wanted to
I've been waiting a long time for you

Are you sure he's the one?
I was sure he was done
Is it over yet?
Is it over yet?

Cause I'm a lover, not a fighter
But I'm battling a heavy heart
Yeah I'm battling a heavy heart

I've been waiting a long time
I've been waiting a long time
I would never ever do those things to you
We could run away if you wanted to
I've been waiting a long time for you

(Instrumental Break)

I've been waiting a long time
I've been waiting a long time
I've been waiting a long time for you
