We kill abortion doctors, we've got albino squirrels.
The worlds whitest beaches, baby, the sexiest postmen
in the world.
We've got a drive-thru funeral home- LETS GO-
You know they even filmed a movie there one time:
They had james brown, gave away hot dogs.
Brownsville revival baby, emmitt smith and roy jones.
Even pushead the artist calls pensacola his home.
Ted bundy was caught behind the hot cake king.
He had a busted head light behind the hot cake king.
