(L-Burna)

It's all about perfect timin', feel me!
I said, it's all about perfect timin', feel me!
Nigga, it's all about perfect timin', feel me!
Puttin' it down 'til these mothafuckas kill me!

(Ken Dawg) & L-Burna x4

(It's like, time will tell, time will tell)
For me to prevail and capitalize on this mail
Look at the seven on my stomach, don't run from it
Battles you scared of a nigga that done really done it

(L-Burna)

Nigga, this hustlin' thang ain't knew to me
See, what it do for me
I keeps it crackin' and poppin', and droppin'
The fact this shit that's always chart toppin'
Feelin' my legacy, don't step to me never
Nigga done took you on that other level
I war with the devil just one of them mighty rebels
I passed the game out, figured a way to get my name
out
Now they ask me what this fame 'bout
Little kids wanna go the same route
If they can be like lil' Layzie they would
But it's thug or die comin' up in the hood
It's all the same, homie
from the north, to the south, to the east, to the west
Better protect that chest and keep it peacefull where
you rest
And God bless
If I have to protect my family I will
May Lord have mercy on your soul when it's the time to
kill
Let time reveal
And I bet they tell a story is at
And I put my city on the map
Nigga, I attack with rap
World wide thugish ruggish, ruggish, riggish, ruggish,
ruggish, ruggish
World wide thugish ruggish, ruggish, riggish, ruggish,

ruggish, ruggish

(Ken Dawg) & L-Burna x2

(It's like, time will tell, time will tell)

For me to prevail and capitalize on this mail

Look at the seven on my stomach, don't run from it

Battles you scared of a nigga that done really done it

(L-Burna)

Nigga, tick tock

On a race against the clock, we all swervin'

When i'm dippin' in my Suburban

I be that nigga that pull to the curb

And I got some words for y'all niggas that's claimin'

you're holdin' it down

What's wrong wit'cha now, when I come around niggas
hatin' me now

I already knew it wasn't my niggas

It was that money that kept you blinded

I'm masterminded, perfect timin'

Keepin' my mental criminal minded

Want an autograph, and I signed it

Showed you much love, and I meant it

Now i'm doin' this eternal sin to stand away from you
and hatred

Fuck the world

Nigga, I'd die for respect

Nigga, I ride for my check

And i'm just waitin' to see who gon' lie to me next

So what, that rolex on your wrist

Won't mean you always on point

All that flossin'll get you held up

Ask my niggas in the joint

Doin' time'll put some shit on your mind

Nothin' but solitude, niggas ain't got no gratitude

Real niggas that keep that attitudes

World wide thugish ruggish, ruggish, ruggish, ruggish,
ruggish, ruggish

World wide thugish ruggish, ruggish, ruggish, ruggish,
ruggish, ruggish

(Ken Dawg) & L-Burna x2

(It's like, time will tell, time will tell)

For me to prevail and capitalize on this mail

Look at the seven on my stomach, don't run from it

Battles you scared of a nigga that done really done it

(L-Burna)

Nigga, I don't switch my block

Cause it's still double glock

Even tho' i'm runnin' from the cops

World wide, I gets my props

(Dekumpoze)

You the man little nigga
You ain't knowin' that shit?
And i'ma put it down for you
So go on and wreck

(L-Burna)

Well, I'ma dissect this shit
Strip it down to the nerve
Pull the Excursion to the curb
And let these niggas know the word

(Dekumpoze)

Well, the word is
Nigga, it's your time to shine
Bottom line, hatin' niggas can't stop the grind

(L-Burna)

Wussup!
Nigga, y'all niggas ain't ready to blow
Dekumpoze, lil' Layzie Bone from a nation unknown

(Dekumpoze)

Bone Thugs my niggas
The original heavy hitters of a show
Go-getters, and L Burna, wig splitter

(Layzie Bone)

Take a picture, nigga
We'll get'cha, it's the thangs we do
It's just the game that we be spittin', let me explain it to
you

(Dekumpoze)

And i'm gon' be that nigga that tell ya to go on and give
'em hell too
The team in the cells, only time will tell

(L-Burna)x2

World wide thuggish ruggish, ruggish, ruggish,
ruggish, ruggish
World wide thuggish ruggish, ruggish, ruggish,
ruggish, ruggish
Thuggish ruggish, ruggish, ruggish, ruggish
