Led to the slaughter, your life in their hands  
Destroying maiming at will  
Spread all around, deep in the group  
Trenches for corpses to fill  
Advance to attack - Forward to death no retreat  
Onward they charge - Running blind to defeat  
Battlefield graveyard bodies pile high  
Laid to rest where they fall  
Merciless war which they had fought  
They showed no mercy at all  
Advance to attack - Forward to death no retreat  
Onward they charge - Running blind to defeat  
Another assault - Counter attack  
Half the battalions gone  
Numbers decreased, masses deceased  
The mindless killing goes on  
Advance to attack - Forward to death no retreat  
Onward they charge - Running blind to defeat
