Are you the one  
When together it is so much fun  
Or are you a loaded gun  
Paving the way  
For the next man to take me away

Maybe I'm your make  
Or the type that you would like to date  
Or is this another fake  
Will we awake  
To the face of another mistake

Maybe yes I'm strange  
Maybe yes I'm tall for a girl  
Maybe yes but I am fun  
And a girl can't ask for more

Baby you want fame  
Baby I'm on top of the world  
Baby and I'm next to none  
And a girl can't ask for more

Do we both believe  
When together we can part these seas  
Foolish enough to be  
Falling in love  
Giving up our right to be free

Tell me who's to blame  
Who's the cause of all this talking babe  
Do I sense an ounce of shame  
Are you afraid  
Of what they say when speaking my name

Maybe yes I'm strange  
Maybe yes I'm tall for a girl  
Maybe yes but I am fun  
And a girl can't ask for more

Baby you want fame  
Baby I'm on top of the world

Baby and I'm next to none  
And a girl can't ask for more

Do you want fame  
Are you a loaded gun  
The choice is yours
