Take these shackles off of me
Either I'm begging or bruising for you
Either a master, man or thief
I wait for you to command me to stay

Why do I keep coming here back for more
I guess I need it for, I have been here before
Why was I born only to be a slave
Never been worthy of
I'm just a prisoner of love love love
I'm just a prisoner, prisoner
I'm just a prisoner of love love love
I'm just a prisoner, prisoner
I'm just a prisoner of love love love love love love

You got me caught here on my knees
I'm either taking or praying for truth
Just another poor girl at your feet
You must have known I had nothing to lose

Why when I fall over it's on my face
I guess I need it for, I have been here before
Why was I born only to be a slave
Never been worthy of
I'm just a prisoner of love love love
I'm just a prisoner, prisoner
I'm just a prisoner of love love love
I'm just a prisoner, prisoner
I'm just a prisoner of love love love love love love

I'm just a prisoner,
I'm just a prisoner of love love love
I'm just a prisoner, prisoner

Break these chains
Take me high higher
I'm just a prisoner of love love love
I'm just a prisoner
[repeat]
