Uuuuh....

Oh, yeah

The single girl

All alone in the great big town

The single girl

Get's so tired of love letting her down

The life's unreal and the people are phony

And the nights can get so lonely

The single girl

Needs a sweet loving man to lean on

I'm a single girl

Wondering if love could be passing me by

I'm a single girl

And I know all about men in their lives

Nobody loves me

Cause nobody knows me

Nobody takes the time to go slowly

The single girl

Needs a sweet loving man to lean on

I've gotta make, my own way

There's rent, I've gotta pay

I need a night time love

To get me through the day

The single girl

All alone in the great big town

I'm a single girl

And I get so tired of love letting me down

But there's a man, I've yet to know

Waiting somewhere, I've yet to go

Someday I'll have

A sweet loving man to lean on

(But there's a man)

But there's a man, I've yet to know

Waiting somewhere, I've yet to go

Someday I'll have
A sweet loving man to lean on
