I don't know where, you coming from
You think you're so fine, don't have a clue
What's going on, you way out of line

I can see what you've got
But you ain't gonna get love
Take your time, figure out
Maybe then you gonna get some

You wanna be rock 'n' roll, but you're not
You wanna give it a go, but you've stop
Let me tell you, I don't wanna love you
So you better stop breaking my heart
You think you playing it cool, but I'm hot
You say I act like a fool, but I'm not
Listen honey: I don't wanna love you
So you better stop breaking my heart

(Ah)

I don't know how, it came to me
All of the time, I think I know
What you ever did, and who is the clown

It takes more then you got
If you wanna get my love
Take your time, figure out
Maybe then you gonna make it

You wanna be rock 'n' roll, but you're not
You wanna give it a go, but you've stop
Let me tell you, I don't wanna love you
So you better stop breaking my heart
You think you playing it cool, but I'm hot
You say I act like a fool, but I'm not
Listen honey: I don't wanna love you
So you better stop breaking my heart

You never listen
You think that you are the one for me, oh no
Why is it so hard for you?

I think it's plain to see

You wanna be rock 'n' roll, but you're not
You wanna give it a go, but you've stop
Let me tell you, I don't wanna love you
So you better stop breaking my heart
You think you playing it cool, but I'm hot
You say I act like a fool, but I'm not
Listen honey: I don't wanna love you
So you better stop breaking my heart

Listen honey: I don't wanna love you
So you better stop breaking my heart
