Could it be you and me?
Always thought we'd last forever
But time is up; I've had enough of all the funny games

Like a fool without a clue
I put all my trust in you
Played with my heart right from the start
Now I only wish I never met you

Like to know, I like to know why
Why the snowflakes fall from the sky
Even if it rains tomorrow
I can help but feel no sorrow

For you

Could it be a fantasy?
Never meant to be eternal
But what we had is in the past
It's time for a change

Like a fool without a clue
I put all my trust in you
Played with my heart right from the start
Now I only wish I never met you

Like to know, I like to know why
Why the snowflakes fall from the sky
Even if it rains tomorrow
I can help but feel no sorrow

For you

Like to know, I like to know why
Why the snowflakes fall from the sky
Even if it rains tomorrow
I can help but feel no sorrow

Like to know, I like to know why
Why the snowflakes fall from the sky
Even if it rains tomorrow

I can help but feel no sorrow

Like to know, I like to know why
Why the snowflakes fall from the sky
Even if it rains tomorrow
I can help but feel no sorrow

For you
