This woman is strong but the soul is gone  
There's not even one feeling I haven't tried to discard  
There's a hole in my heart and it ain't got much chance  
So I'm packing my bags and I'm heading out west

Heading out tonight  
Albuquerque here I come  
Leaving everything behind  
Lord knows my heart needs to run

I'm desperate for the freedom to let myself decide  
I'm longing for a day that I don't need to cry

The time has come no longer can I live  
I need to look up spread my wings and fly  
Fly high into the sky  
Catch my dreams before they pass by

I'm heading out tonight  
Albuquerque here I come  
I'm leaving everything behind  
Lord knows my heart needs to run

I'm desperate for the freedom to let myself decide  
I'm longing for a day that I don't need to cry  
The time has come no longer can I live  
I need to look up, spread my wings and fly
