A funny thing happened today
I thought of you,
And for the rest of the day
I could not get you outta my head
Especially those three sweet words you recently said

CHORUS:

I don't know what to do
My world is spinning round and round
Since I met you
So baby hold me really tight
I sure won't put up a fight
What you've done to me I have no clue
Baby, I think I love you too

So where do we go from here
I can't deny I have some doubts and even some fears
But I'm pushing them all away
I wanna be with you every night and every day

CHORUS 2x
