Women gossip in the beauty parlor  
This summer day just couldn't get any hotter  
I'm wanting to get out of this town  
Roll down my windows and just drive around

Do you think you'd maybe want to come too?  
We could have a good time or two  
Learn how to have a free spirited time  
Celebrating I'm yours and you're mine

We could go anywhere  
I really don't care  
We could go anywhere  
I really don't care

For once I just wanna be in love (best kind of love)  
The kind of love only cupid knows of  
We could drive for hours for a walk by the sea (best  
kind of love)  
I'd go anywhere if you were with me

You know you told me that you'd buy me a ring  
Because you figured it'd be the right thing  
Well let me tell you baby  
Let me tell you darlin'  
I don't need diamonds to know  
You'll take me to have and to hold  
You know what I want  
You know what I need

I wanna be told  
You'll love me when we grow old  
I wanna be told  
You'll love me when we grow old

For once I just wanna be in love (best kind of love)  
The kind of love only cupid knows of  
We could drive for hours for a walk by the sea (best  
kind of love)  
I'd go anywhere if you were with me

For once I just wanna be in love (best kind of love)  
The kind of love only cupid knows of  
We could drive for hours for a walk by the sea (best  
kind of love)  
I'd go anywhere if you were with me

For once I just wanna be in love (best kind of love)  
The kind of love only cupid knows of  
We could drive for hours for a walk by the sea (best  
kind of love)  
I'd go anywhere if you were with me
