I'm sorry I haven't called you back  
It's just easier that way  
I'm sorry I just got up and left like that  
Staying was too high a price to pay

I'm sorry I pretend that you're not there  
When we're out with all of our friends  
But most of all I'm sorry that I layed down  
In the most complicated of beds

And I'm sorry that you had to break my heart  
You just had to go and ruin everything  
And I'm sorry that I let you make me cry  
That's not a song I like to sing  
And I'm sorry that now you want to make amends  
Well, baby I'm not up to your games  
Because the last time I gave you my heart  
You sent it up in flames  
Oh, you sent it up in flames

I'm sorry if I tried to burden your soul  
I just wanted you to know how I feel  
But most of all I'm sorry if this whole situation  
Was just a little bit too real

And I'm sorry that you had to break my heart  
You just had to go and ruin everything  
And I'm sorry that I let you make me cry  
That's not a song I like to sing  
And I'm sorry that now you want to make amends  
Well, baby I'm not up to your games  
Because the last time I gave you my heart  
You sent it up in flames  
Oh, you sent it up in flames
