The words rush from your mouth
And stab me in the heart.
The blood runs from my veins
As I shed my silent tears
Because at the end of the day
We all want the same thing.
We just want to be loved,
By someone or some thing.
But you threw it all away,
When you stabbed me in the heart.

Chorus:

I'm sorry I'm not pretty
I never look my best
I'm sorry I'm not perfect
But please forget the rest
I'm sorry I'm not important
But it's time for you to see
I'm sorry I'm not what you want
But I can't help being me

I'm trying hard to keep you from my mind
But it's hard not to find another kind (like you)
And I turn to the ones who care for me
Just like the way you used to be
They see the scares all over my body
It's just the same old story
They all say "Why are you doing this??"
But all I can say is

Chorus:

I'm sorry I'm not pretty
I never look my best
I'm sorry I'm not perfect
But please forget the rest
I'm sorry I'm not important
But it's time for you to see
****I'm sorry I'm fucked up****
But I can't help being me

I'm sorry I wasn't pretty

I never looked my best
I'm sorry I wasn't perfect
But please forget the rest
I'm sorry I wasn't important
But I guess you could never see
I'm sorry I had to leave
But I know you'll never miss me

****Clean edit: I'm sorry I'm messed up****
