"Flaming Red"

I'm going crazy, my life is no longer my own.
And it seems to me that lately,
I could use some time alone.
Oh I'm always trying to be what
Everybody wants me to be.
But if only I could have this one night for me,

I'd take a long bath, turn the radio on
And sing really really loud to all my favorite songs.
Eat a whole box of Oreo's in my bed,
I might even dye my hair flaming red.
Flaming Red

My daddy told me, he said
"Girl, always be good to yourself.
Cause if you don't do it,
You can't be good to anyone else"
Well daddy, you were right,
I'm gonna take your sound advice.
I'm gonna disconnect the phone and stay home
tonight,

I'm gonna put my big flannel jammies on,
Keep an overdue appointment with Hagen Das.
I'm not even gonna think about shaving my legs,
I might even dye my hair flaming red.
Flaming Red.

So go on without me, you're so gracious to invite,
But I think I'll be staying here tonight,

I'd take a long bath, turn the radio on
And sing really really loud to all my favorite songs.
Eat a whole box of Oreo's in my bed,
I might even dye my hair ridiculously red.

I'm gonna watch a sad movie and cry at the end,
Then I'll rewind it back and watch it over again.
I can't remember how long it's been
Since I actually read a book all the way to the end.

I'm gonna eat all the chocolate and buy one more,
I'll grab my hat and sunglasses and hit the corner
store,
I might even wear no makeup and like I said
I might even dye my hair flaming red.
Flaming Red. Flaming Red.
Just like, just like I said.
