"Loyalty (Skit)"

You Know While Your Mother Is Cooking The Macaronni
Today I Figured Id Sit Down And Talk To You Since Your
Old Enough.

You Know Its Time That You Really Realize What This
Family Is All About

Cause About This Time Is When Your Gonna Be Able To
Join In

And Earn Some Real Money And Real Cash But Before
You Do That

I Wanna Teach You A Little Bit About Loyalty,
The Main Name Of This Game Is Respect And Loyalty.
Family Is A Big Thing When We Do This Kind Of
Business

Everything Is With Respect And When A Family Member
Gets Outta

Line And Another Family Dont Like It One Thing Leads
To Another

And The Next Thing You Know, Your Gone And Then
Your Just A Memory Of Me,

My Hearts Broke Then, But You Gotta Remember
Theres Always Family And Loyalty,

Loyalty Is The Main Thing. Obviously You Know I Dont
Make My Money,

I Dont Make All My Cash From Uh Construction Jobs We
Do And

Uh Sanitation And Private Stuff Is All Earned Money
Through The Family

And Since Your Of Age Now I Think Its Time I

Taught You What Coming Into The Family And Respect
Is All About.

So The First Thing You Gotta Learn Is The Name
Respect,

Tha Means You Dont Cross Nobody You Dont Go Over
The Line,

Once You Go Over That Line Theres No Coming Back
Whether

Youre A Member Of The Family Or Not.

Thats When People Get Whacked And We Dont Want

Nobody Whacked In Our Family
So I Gotta Teach You The Proper Way Of Respect.
When Youre Earning Money, Everybody Earns,
Everybody Eats Bread.
Its All About Cash Money Thats What Its All About
Making The Money.
So The First Thing Of Business Is This, You Remember
Your Name,
You Dont Forgets Your Roots.
You Never Ever Disrespect Anyone Thats Above You
Especially Your Capo
Especially The Big Time Guys, Those Are The Guys You
Listen To.
You Never Ever Disrespect Anyone Unless Your Told To
Unless You Get The Okay.
And If There Is No Sit Down Theres Nothing.
